

# BUILDING ON A LEGACY OF EDUCATION

*2018–2019 School Year Educational Programs*

**BILTMORE**<sup>®</sup>  
Asheville, NC

EDUCATION HAS ALWAYS  
BEEN A KEY COMPONENT  
OF LIFE AT BILTMORE.

*George Vanderbilt*

My great-grandparents, George and Edith Vanderbilt, took a personal interest in helping their community become more self-sufficient. They believed that education provided a means for people to improve not only their own lives, but the lives of their children as well.

Through opportunities like adult literacy classes and practical internships, the Vanderbilts encouraged the people of Western North Carolina to succeed. Edith Vanderbilt founded Biltmore Estate Industries, an enterprise based around traditional wood carving, weaving, and furniture-building skills associated with the Western North Carolina region. This initiative developed into a cottage industry that provided jobs and economic improvement for many in the community.

By 1914, Edith Vanderbilt became aware of a movement that focused on teaching illiterate adults how to read and write, with teachers volunteering their time to teach adults at night in the same schools where they instructed children during the day. Recognizing that many workers and their family members who lived on Biltmore were illiterate, she founded a Moonlight School on the estate, and also became an official spokesperson for the Moonlight Schools, appearing in public to gain support for the endeavor.

We are eager to share more of our family's stories with you and your students during your visit to Biltmore this year. In addition to its natural beauty and grand architecture, Biltmore also reflects my great-grandparents' interests in providing a warm welcome and gracious hospitality to their guests. They created a home that would last for generations, where guests still come to escape the pressures of everyday life and spend time with friends and family.

I believe that you and your students will find our educational programs enriching and enjoyable. We are honored to inspire students to develop a new love of learning.

Bill Cecil, Jr.  
Biltmore Chief Executive Officer, great-grandson of George Vanderbilt

## BILTMORE HOUSE GUIDED STUDENT VISITS

All of our programs follow National Common Core Standards, are age and grade appropriate, and are designed to reinforce the classroom curriculum. Please carefully review our guidelines for your Student Group Visit. This will ensure your students and accompanying adults, as well as all of our guests at Biltmore, have an enjoyable and memorable experience. Copy may be scanned and returned to groupsales@biltmore.com or faxed to 828-225-1396. **Reservations without a signed policy agreement 14 days prior to visit are subject to cancellation.**

In advance of your visit to Biltmore, it is important to establish the criteria and designate between your **Recognized Chaperones** and **Adult Guests**, as defined below:

**Recognized Chaperones** receive complimentary tickets and are defined as the pre-determined adults/teachers required for the Student Guided Tour of Biltmore House. The Recognized Chaperones are required to stay with their assigned groups at all times and in all areas of the estate, including gift shops, gardens, and Antler Hill Village and Farm. Do not count the Lead Teacher in the Recognized Chaperone count. The Lead Teacher will be a Roving Chaperone and available for assistance to any of their groups. Division of students in groups are shown in the table to the right:

# of Students	# of Groups	Recognized Chaperones
15-20	1	2
21-40	2	4
41-60	3	6
61-80	4	8
Etc..		

All extra adults other than the Recognized Chaperones are considered **Adult Guests**. Adult Guests are afforded the School Discount Ticket Rate and must be included in the school group count and payment. Adult Guests are strictly self-guided and not to be part of the guided student visit.

In order to maintain a positive educational experience for your students, as well as all guests visiting Biltmore House, **Adult Guests may not accompany or follow behind the Student Guided Tour during their Biltmore House visit.** Instead, Adult Guests are asked to enjoy a self-guided visit to Biltmore House on their own.

- Students must be divided into their guided groups before arrival. See table above for number of groups needed.
- Schools and Lead Teachers are responsible for their students and adult guests. Any student or adult displaying disruptive or destructive behavior will be asked to leave Biltmore House and may result in the entire class/school being asked to leave the estate.
- Encourage students to dress for the weather. Biltmore House is not air-conditioned and can also be chilly during the winter months. Additionally, the beginning and end of the student tour is outside.
- Comfortable shoes are highly recommended.
- Shoes with wheels (such as Heelys®), food, drinks, chewing gum, and tobacco products of any kind are not permitted inside Biltmore House or any estate building.
- For the security of the estate and all our guests, everyone will go through a security check and baggage check. Please have students leave all backpacks and non-essential bags on the bus. The Lead Teacher may carry a backpack or bag for any necessary items for medical or personal reasons.
- When visiting Antler Hill Farm and Farmyard, it is imperative to treat our animals with respect and care. They should be handled with tender loving care. The animals at the Farmyard are babies and are more easily injured than adults.
- If you are planning on visiting the Antler Hill Farm/Barn area without a scheduled program, please be aware that some areas may not be available due to scheduled programs in progress.
- It is imperative that you arrive on time and stay on schedule. Please plan on arriving at the estate entrance at least 45 minutes prior to your first scheduled activity.
- If you are running late, please call the **Group Sales Front Desk at 828-225-1401**. We will do our best to schedule your group for the next available tour time.
- Biltmore takes all acts of vandalism and/or defacement very seriously. We ask that you, your chaperones, and your students take this seriously as well. If any group or individual is observed harming any aspect of Biltmore property through graffiti or defacement, they will be held fully responsible and may be subject to any and all penalties under North Carolina's Graffiti Vandalism Laws.

By signing this agreement I acknowledge that I have read and understand the policies set forth for our field trip. I am the Lead Teacher and take responsibility for sharing rules and expectations with students, Recognized Chaperones, and Adult Guests.
